Every vehicle owner should consider...

If your vehicle is **stolen and not recovered**

and your insurer only pays the **fair market value** of your vehicle...

are you aware of the cost to get into a **replacement vehicle?**

Consider:

- The escalated cost to purchase a brand new vehicle
- Replacement of accessories from your previous vehicle (winter tires, etc.)
- The deposit for your next purchase
- The outstanding debt on your original loan

Were you aware?

- Over 85,000 vehicles are stolen each year in Canada¹
- A vehicle theft takes place every 7 minutes¹
- Vehicle loans can carry negative equity for up to 6 years

Contact your dealer for more information or call 1-866-287-6200.
