Step 4 of 4:
Select Coverage

Select the desired **HR/LR (17)** option (*High Rate or Low Rate commission*) if applicable. Choose the desired **Plan (18)**, either **Carefree**, **Essential Plus** or **Essential**.

Carefree Plan

If choosing the **Carefree Plan (19)**, you may individually select **Life (20)**, **Disability (21)**, **Loss of Employment (22)** or **Critical Illness (23)** coverage by clicking on the desired check-box. If **Disability** coverage is selected, specify if the retroactive period will be **30 days non-retroactive** or **30 days retroactive (24)**.

For each selected coverage, specify if the coverage will apply to the **Applicant**, **Co-Applicant** or be **Joint** coverage (25).

If **Life** coverage is selected, the **Insured Loan/Lease Amount (26)** will automatically be populated with the amount from **Loan/Lease Amount (\$) (13)** above; this value can be modified and pricing will be dynamically updated based on the modified amount.

The **Insured Loan/Lease Amount** will be capped to the maximum allowed insured amount if the **Loan/Lease Amount (13)** from above is greater than maximum allowed amount. If the **Residual/Balloon Amount (12)** from above is greater than \$0, then **Insured Loan/Lease Amount** will be calculated as the present value of monthly payment (per frequency).

Choose the desired price for each selected coverage by clicking on the **table cell (27)**. **Note: Critical Illness** coverage can only be sold if **Life insurance** coverage has been selected. The term for CI if both **Life** and **Critical Illness** coverages are selected will be the same.

Note: In the province of Quebec, **Loss of Employment** can only be purchased if **Life** or **Disability** coverage is selected.

Essential Plus or Essential Plan

If choosing the **Essential Plus Plan (28)** or the **Essential Plan (29)**, specify if the coverage will apply to the **Applicant**, **Co-Applicant** or be **Joint** coverage (30) and choose the desired price by clicking on the **table cell (31)**.
