Step 3 of 3:

Select Product Options

Indicate here if the vehicle is **Certified Pre-Owned (5)**.

The **OEM Parts (6)** option allows the contract to only use OEM replacement parts, this options is available for non branded contracts only.

The **Additional Benefits (7)** option allows the contract to be sold by adding additional coverages to the contract, clicking on **Details (8)** describes available additional coverages.

Those additional coverage could also include the **Claim Free Reward Benefit**, which provides the customer with a reward if no claim is made during the lifetime of the contract. To be eligible for the **Claim Free Reward Benefit**, the following conditions must be met:

1. The contract must expire by time only; and
2. The difference between term expiry date and contract date is at least three years; and
3. The difference between the expiry km and current odometer reading is at least 40,000 km.

Details about the **Claim Free Reward Benefit** can be found in the **Selling Dealer Guide** which can be downloaded from **Sales Tools**.

Some contract also have **Tire Storage** as an optional upgrade.

Verify the **Contract Date (9)** and specify a **Lienholder (10)** if applicable.

Enter a dollar amount in **P-Code (11)** to offer your customer a discount. Hover over the **Retail Price (12)** to view your dealer markup.

Chose the **Selling FSM (13)** from the drop down menu.

Once the desired product options have been selected, ensure customer details are entered and click **Purchase (14)**.

Confirm purchase and print out the contract for the customer to sign.
